

Nanna

Your eyes, your smile, we will surely miss.

Your hugs, your touch, and your kiss.

You have left your mark in this world

And most of all in our hearts.

Picking up in this world, we don't have a clue

Where to begin or where to start.

You've been the glue that held us all

Together for years.

It was you, my queen, that wiped our tears.

Your love will forever be with us.

Oh, Bernetha all our secrets in you

We all trust.

You've done all that you could've done

Here and you most definitely did your best.

We love you and will miss you

until we meet again Nanna.

Time to get your rest
