They Said You Wouldn't Make It

So many times, they counted you out, but each time you came back. Sometimes stronger than the last.

Big brother, you showed us something that a lot of others didn't know about you and that's, you can't keep a good man down.

You fought a good fight and God saw that, so although we are saddened by this final journey, we all must take one day, we understand. Get your rest, Irvine E Richardson. We will miss the never duplicated, but always imitated laugh, and wonderful smile that we love and will cherish.
