

## Tribute

I was blessed with more  
Than this one life and  
When we leave,  
We leave the pain behind  
For I am not truly gone,  
But instead I have found my way home  
So, no more tears  
As there is nothing left to fear  
I left you with memories  
Of laughter, joy, and a smile  
And love that carries on for miles and miles  
So don't mourn the passing  
Celebrate new life everlasting  
Take care of my legacy,  
Handle it with delicacy  
Forever your protector  
Never alone, always together

FOREVER

- Ethel
