I Made It Home

I just wanted to let you know that I made it home

The journey wasn't an easy one, but it didn't take
long.

Everything is so pretty here; so white, so fresh, so
new

I wish that you could close your eyes so that you
could see it too

Please try not to be sad for me

Try to understand God is taking care of me

I'm in the shelter of his hands

Here there is no crying, and I'll never hurt again.

Here it is so peaceful, when all the angels sing

I'll really have to go for now...

I've just got to try on my wings.
